

**FACILITIES CERTIFICATION**

SAB 406A (REV. 05/99)

SCHOOL DISTRICT

COUNTY

Community schools and expelled pupils programs should be housed in facilities that conform to the structural safety standards listed in Education Code 1986, paragraph (1) or (2) of subdivision (b) or Section 17292.5, paragraph (1) or (2) of subdivision (a).

Before entering into a lease for facilities that do not conform with the requirements named above a report from structural engineer that determines substantial structural hazards do not exist must be on file. Also, the certification at the bottom of this form must be signed and submitted to the Office of Public School Construction.

List the facilities to be leased, including address, city and zip code. Identify what portion of the building will be used (i.e., entire facility, room number or suite number).
